

PRODUCT SPECIFICATION SHEET

UFO 21D Downlight

Rev. C1

A compact fixed lens downlight fitting, secured through ceiling with spring clips.

Available in a range of finishes, this fitting allows for the light beam to be focused. The fitting is also suitable for mounting in the base of a display case and illuminating upwards.

Our downlight fittings are suitable for use in a variety of different applications and are the ideal solution for the illumination of static objects within a display case or cabinet.

Glass lens available with stainless steel option, making it suitable for saunas, steam rooms & showers etc.

Note that all dimensions are displayed in mm
