

PRODUCT SPECIFICATION SHEET

Pico LED Cabinet Light

Rev. C1

The tiny UFO Pico is specially designed for use in museum and retail display cases where its diminutive size means it can bring unobtrusive lighting detail to the objects on display.

Featuring a choice of 2 popular color temperatures and a high CRI, together with an easily adjustable focusing optic, the Pico is perfect for illuminating small objects or for highlighting specific points of interest. To further aid in this, the luminaire can be rotated by 360° and offers a wide 130° of tilt.

Depending on the driver specified, the Pico can be dimmed using any of multiple options allowing it to seamlessly blend into almost any existing lighting scheme.

GENERAL INFORMATION

Light Source	White light LED
Operating Environment	Indoor use
Material	Aluminum
Finishes	Anodised black / Anodised silver
Dimensions	Height: 31mm retracted / 37mm extended Diameter: 9mm head / 12mm base
Weight	11g (0.02lb)
Securing Method	Secured with back nut

ARTICULATION

Rotation	360°
Tilt	130°

LED ARRAY DATA

LED Type	Osram Oslon Square
LED Life (L70, B10)	>54,000 Hours
Fitting Drive Current	150mA
Power Consumption	0.5W
Color Temperature Options	3000K, 4000K
CRI	>96
Lumen Output	27lm
Fitting Luminous Efficacy	53lm/W
Driver Type	Constant Current LED Driver Required

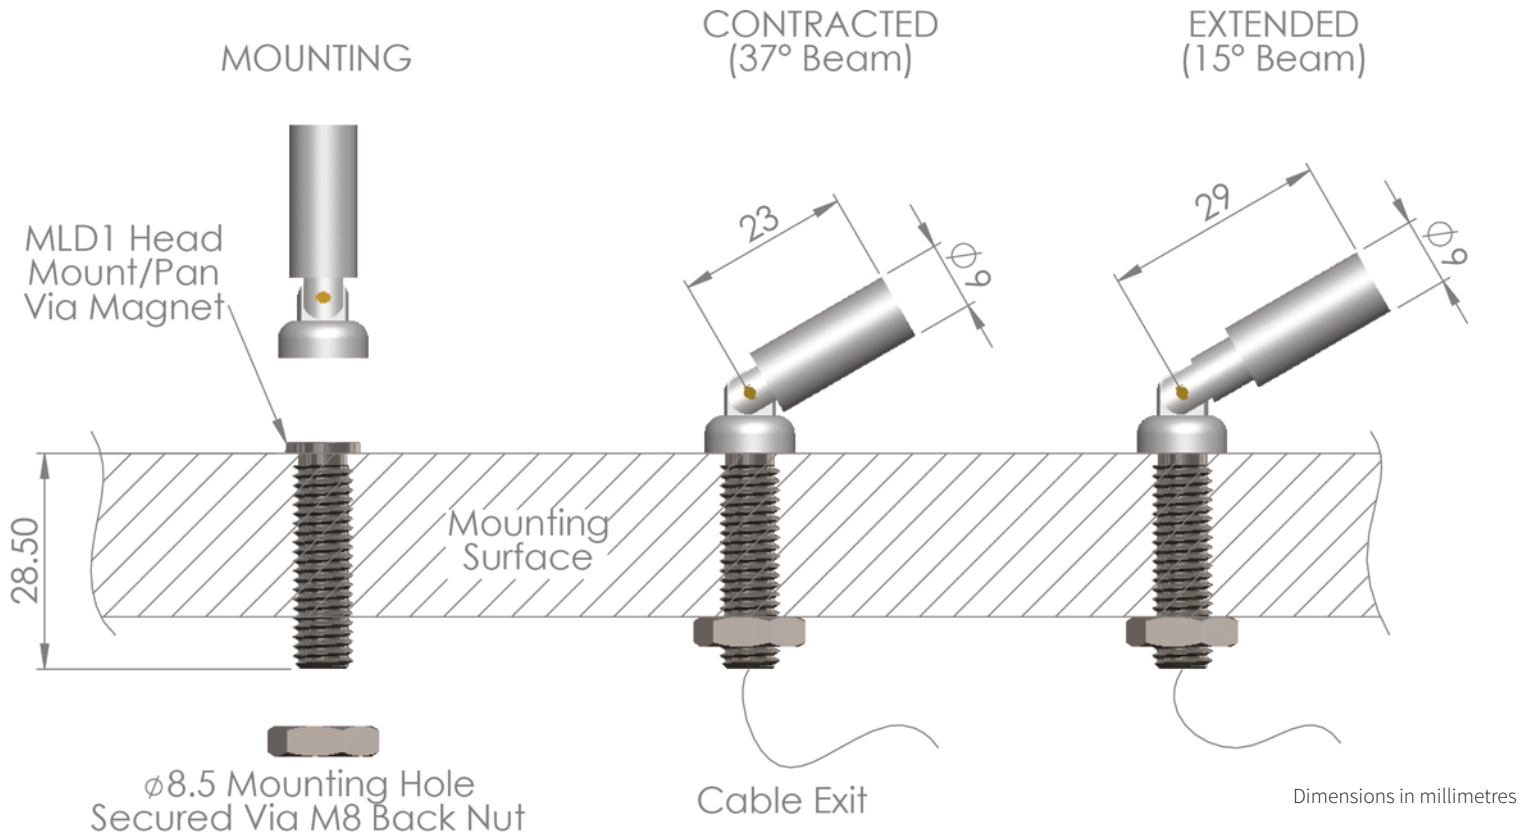

OPTICS DATA

Optics Family	Focusable optic
Available Optics	15° - 37° focusable

DRIVER DIMMING OPTIONS (Depending on specified driver)

Driver Specific	None 0-10V DALI Remote Potentiometer
